CONFERENCE

The CCC Scholarship Fund is a charitable function of the California Copyright Conference, an organization established in 1953 for the discussion of copyright-related areas pertaining to music and entertainment.

The CCC Scholarship Fund helps provide financial support to the next generation of music industry professionals by offering an annual scholarship award to qualified music industry studies majors living in the greater Los Angeles area.

Each year one student is selected to receive the scholarship, along with a free one-year membership to the CCC to further support their education as well as offer career networking.

The scholarship was first awarded in 2012. In 2013, the CCC renamed the scholarship in memory of former CCC President, John Braheny.

The CCC Scholarship Fund, Inc. is a recognized 501(c)(3) nonprofit (federal EIN 83- 4059268). All donations (financial or product) are tax deductible. No goods or services are provided in consideration of your gift. Please consult with your tax advisor for details.
